PITTSBURGH, May 15.—All plants of
the Carnegie Steel Company, with the
exception of the works at Columbus
and Bellefonte, Ohio, will be in op-
eration tomorrow morning when the last
unit of the Mingo, Ohio, mill and the
Farrell, Pa., furnaces will resume.

This will give the Carnegie company
80 per cent of productive capacity the
first time for more than a year.

Slavish Hall, West Side, was crowd-
ed to the doors Sunday afternoon by
miners and their sympathizers and
others who came to hear Father
McCarthy of Rome and others on the
coal strike. The outstanding feature
of the address of Father McCarthy
was advice to the men on strike to
refrain from violence of any charac-

Similar advice was given by William
Haynes, members of the executive com-
mittee of the United Mine Workers.
He told the men that it would be im-
possible to win the strike by violence.
He asked that they keep away from
the plants.

**Stock of Gasoline
Gained 47,000,000
Gallons in March**

WASHINGTON, May 15.—A new
high record for the national stock
of gasoline, increases in the price of
which have been ordered investi-
gated by the Senate, was established
public last night by the Bureau of
Mines, showing supplies of the com-
modity on that date aggregated
851,222,000 gallons.

The stocks on hand April 1 were
approximately 47,000,000 gallons a
greater than on March 1, when the
previous high mark of 807,000,000 gal-
lons in storage was made. The April
supply, according to the bureau's
figures, was 20 per cent larger than
on the same date last year and 36 per
cent above the stored stocks of April
1, 1920. The official figures confirmed
statements made in the Senate that
present supplies and those of recent
months were greater than ever be-
fore in this country.

The increase in stored gasoline
stocks came at a time when con-
sumption was increasing, according
to the bureau's figures, which show
that for the first three months of this
year, seven per cent more gasoline
was used than for the first quarter of
1921, and five per cent greater than for
the corresponding three months of
1920.

March of 100,000 Over Burke. Fore-

Burke, Burke Claims Allegheny
County and Enough Others to Win.

By Associated Press.

PHILADELPHIA, May 15.—Final
appeals to the electors of the State
were made today by the managers of
the various candidates who will be
voted for tomorrow. Each side ex-
pressed confidence of victory.

Attorney General George E. Alter,
candidate for the Republican nomi-
nation for governor, is winning up his
campaign with a flying tour of Schuyl-
kill and Northampton counties and
expected to be in Reading tonight. He
will be at his home at Sprigdale to-
morrow to vote.

Gifford Pinchot, former state fore-
ster, Mr. Alter's chief opponent,
practically wound up his campaign in
Pittsburgh Saturday. He was at his
home today meeting old friends and
neighbors and expecting to spend
some time fishing. He will vote to-
morrow and expected to motor to
Philadelphia to receive returns to-
morrow night at his headquarters.

There was little campaigning by
candidates for other offices in the var-
ious parties that will name candidates
for governor, lieutenant governor,
secretary of internal affairs, United
States senator, congressman, the leg-
islative and state committees.

There was wide divergence in the
plans of managers of the various cam-
paigns. Chairman of the Pinchot cam-
paign, maintained that Pinchot will
win by 150,000. Colonel Fred Pusey,
chairman of the Alter campaign com-
mittee, claimed the State for Mr. Al-
ter by 255,000.

In the Republican senatorial con-
test between United States Senator
George Wharton Pepper and Con-
gressman-at-large William J. Burke
a majority of 99,000 is claimed for
Senator Pepper by Ira Jewell Wil-
liams, his campaign manager. Con-
gressman Burke in a speech here Sat-
urday night asserted he would do
better than Senator Pepper. Burke leaders
predicted their candidate will carry
Allegheny and many other counties.

**Membership Drive
For Commerce Body
Will End Tonight**

Officers and canvassers of the
Chamber of Commerce alike were
working at full speed today to clean
up every branch of the campaign and
complete the work when final reports
were made at a meeting tonight. The
purpose of every canvasser this evening
is anticipated and at that time it
will be possible to announce the com-
plete returns of the drive.

The number was well over 250 this
morning and at least another 100
members was the goal for the day.
If possible more will be enrolled.
However, the committee is completely
satisfied with the interest shown in
the movement and the support given
the organization.

The spirit of the officers has kept
the canvassers on their toes and their
efforts are bearing results. A num-
ber of voluntary memberships have
been received from some persons
whom the solicitors were unable to
call on.

THE BOSSON.

"THE INVINCIBLE FEAR," the feature picture today, Tuesday and Wednesday, is a First National production with Anita Stewart in the leading role. "The Invisible Fear" is a stirring mystery drama. In direct contrast to the chuckles and laughs which have heretofore been Mr. Del Ruth's contribution to the screen, the author injects thrill after thrill into this picture, favoring the whole with a mystery that keeps suspense keyed to the ninth degree throughout the production. The story opens with an unusual episode in the life of a girl of high social position. Attacked by a man in a lonely cabin, she defends herself and escapes. But she is led to believe she has killed her assailant. The shock develops into a haunting fear when the same man later becomes her husband's guest at home. How the mystery of his presence is cleared up, together with the solution of a baffling safe robbery furnish many surprises before the final fade-out. In Anita Stewart's support is an excellent cast headed by Walter McGrath and Alan Forrest and containing Estelle Evans, Hamilton Morse, George Kays and Edward Hunt.

Thursday, Friday and Saturday Constance Talmadge will be featured in "Woman's Place."

THE PARAMOUNT.

"ISLAND WIVES."—With Corinne Griffith in one of the best roles of her screen career, provides excellent entertainment today and tomorrow at this theatre. "Island Wives" was written by Bob Dexter and adapted to the screen by William B. Courtney. Its opening scenes are laid in Tahiti, an imaginary island in the South Seas, and much of the action of the play takes place amid tropical surroundings. The locale of the story follows the peregrinations of Elsa Molica, who goes by private yacht from Tahiti to San Francisco and later from there to Australia, affording a wealth and variety of beautiful scenic backgrounds. Ideal locations for these have been found in Florida. The story is also spectacular, including a South Sea typhoon. Miss Griffith was accompanied by a splendid supporting company, including Charles Trowbridge and Rockcliffe Fellowes, who have the principal male roles. Webster Campbell, who directed Miss Griffith in some of her greatest successes, directed the production. Wednesday and Thursday, "The Angel of Crooked Street," will be presented.

THE ORPHEUM.

"WHITE AND UNMARRIED," a Paramount picture, with Thomas Meighan in the stellar role, is the feature picture today and tomorrow. An exceptionally strong cast of players was assembled to support Mr. Meighan in "White and Unmarried." Jacqueline Logan, recently from the Follies, has the leading role of Andre Duphot, and in which she exhibits dancing talents of a high order. Grace Darmond, well known as a leading woman has an excellent part. Walter Long is seen as Chicco, an Apache, and his characterization leaves little to be desired. Others of importance in the cast are Lloyd Whitlock, Fred Vroom, Marion Skinner, George Stone and Jack Herbert. The story tells of the inheritance by the brook of a fortune, his departure for Europe, his meeting on the boat with Dorothea, a girl with whose photo he has fallen in love and the romance which develops. Billy takes Dorothea out to see the "other side" of Paris and in a Bohemian cafe, Dorothea becomes infatuated with Marechal, a French rogue. Billy becomes interested in Andre, a little dancer, thereby arousing the jealousy of Chicco, the Apache admirer, who later kidnaps Andre and conceals her in Marechal's old farm house. After a sensational gun fight in which Billy kills Chicco, Marechal and another man, he rescues Andre.

Wednesday and Thursday Dorothy Dalton will be seen in "Behind Masks."

Defies Old Age By Using Howard's Buttermilk Cream To Beautify Her Complexion

Tells Druggists Not To Take Anyone's Honey Unless This Delightful New Vanishing Cream Quickly Shows a Doubled Improvement.

Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is the fact that while it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin. No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, grooves feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream. If you cannot obtain locally send 10 cents (silver or stamps) for generous trial package of both Cream and Soap. Howard Bros. Co., Buffalo, N. Y.—Advertisement.

Cokers Lose to Irwin Sluggers in Opener of Season, Fayette Field

Locals Find Wentzell's Pitching Little Too Much to Solve.

LARGE CROWD ATTENDS

Inability to safely hit the delivery of Wentzell, the Irwin slugger, accounted for the defeat of the Connellsville Independents in the opening baseball game at Fayette Field Saturday afternoon, witnessed by a gathering of fans that filled grandstand and bleachers, and stretched out well along the sidewalks. The visitors tallied four times while the Cokers were able to get but one man across the home plate.

With an exception or two it was a good game. There were numerous brilliant catches on both sides in the outfield while the Connellsville infield distinguished itself by two snappy double plays. Both outfields were kept busy. Laughner, in middle, alone took care of six Coker swats and some of them were hard smashes which would have gone for hits with less brilliant fielding. The Coker outfield collected a total of eight. In all just 16 players were relieved by the fly to the outer garden route.

Connellsville scored its only run in the sixth. Patterson was thrown out at first. "Whiter" Shomo tried to dodge one of Wentzell's shoots but failed and was given a free ticket for first. He scored on Riddleman's double to the left field fence. Yanchus fled out. With two gone the crowd cheered Stauffer, calling for a hit. The Scotdale first sacker came across with a hard whiff to center but Riddleman was caught at the plate in a close decision.

The visitors started after Kozar in the opening round. Milburn, the first man up was retired on strikes but E. Plues hit one between second and third and scored on Jeffries' double, which rattled against the left field fence. Jeffries scored on Gano's single.

In the fourth the visitors put two more over, a wild toss by Stauffer to the south end of the grandstand aiding.

Kozar pitched a good game, on the whole. He struck out five batters and held the visitors to nine hits. In the same time, however, he and his team mates were able to collect but two off Wentzell, who struck out six Cokers and did not issue a single pass.

A parade to the ball park preceded the game; the Connellsville Military band and officials of the ball club acting as escort to the players. Mayor Charles C. Mitchell pitched the first ball and R. W. Brown, division superintendent for the Baltimore & Ohio Railroad Company, was behind the bat. A cheer greeted the two officials. Shella Hauser acted as umpire and performed his duties satisfactorily and like a veteran.

Ware, who was scheduled to catch for the Cokers, did not come. In his place was Corbett of Ambridge, who played last year with the American Bridge team. Flitty, who was booked to twirl for the visitors, was at Johnstown, pitching for the Flood City team against Beltschover, winning 3-7.

Next Saturday the attraction at Fayette Field will be the Nationals of Pittsburgh. The Nationals on Saturday swamped the Millin Club, a Pittsburgh outfit, 19-2.

INDIANS' STAR FIRST SACKER IS VICTIM OF INCURABLE GOLF BUG

Stuffy McInnis of Cleveland Team Takes Up Golf.

There must be some Scotch mixed in the Irish of John McInnis, for Stuffy is a bra laddie on the links.

When the Indians' first baseman gets done with baseball he'll be able to give a good account of himself in golf competition if he ever goes in for the game seriously.

Stuffy played the Lakewood Country club course at Dallas while the Cleveland team was training every day and did it right along in the 80s. He made the 18 holes twice in 54 and once in 58. That's not bad golf for a fellow who never played much until this spring.

McInnis played a little around Boston, but never got interested in the game until late last season.

Now he's a bug. He talks golf incessantly and if you should happen to

stand outside his door you are pretty apt to hear him bounding golf balls against the wall.

His forte in driving. He has made several drives on the Lakewood course of 300 yards and got an average of 250. He isn't as good on the greens, if he were, he would have turned in some fine scores.

Jack MacKenzie, professional at Lakewood, thinks Stuffy is some golfer and was always amazed when the baseball star made a drive. MacKenzie seldom does the course under 80 and that's a pretty good tribute to Stuffy's golfing prowess.

McInnis handles all his iron clubs except the putter well and soon as he perfects his game on the green, watch out!

and Eddie Borland of McKeesport. Both youths have a reputation for aggressiveness and when two boys of such character come together, some snappy fighting is certain to result.

In the preliminary, which will begin at 8:30 o'clock sharp, the unknown from Trotter, Kid Haxton will meet Doty Turner of Uniontown. The latter was seen here in a previous show and was well thought of.
